Meet the New

City Administrator, Greg Camp

May 15 was Greg Camp's first day as the new City Administrator. Greg said, "Day 1 on the job saw a whirlwind of activity reviewing the city budget and financial statements, current public works projects and park improvements, visiting with Mayor Cage, several of the councilmen and some of the City's hard-working staff! I look forward to getting to know everyone that works for Festus in the coming weeks - to borrow a line from the classic Humphrey Bogart movie Casablanca, 'I think this is the beginning of a beautiful friendship.'"

Storm Water, Storm Drains, Curbs, & Cars

The Street Foreman is requesting that people who park on the street leave their vehicles 6" off the curb. Parking a small distance from the curb gives storm water room to run to the drain. When the storm water hits a vehicle tire it can jump the curb and run through yards causing damage.
